

Programme 2010

We have a great programme for you again this year, with some new events and some old favourites.

Highlights for this season:

- 🚩 Smart Sailing sessions – improve your skills
- 🚩 Brudenell Day – mini Regatta for the prestigious cup
- 🚩 Games evening, Curry supper, BBQs & picnics
- 🚩 Weekend cruises for keel-boats
- 🚩 Cruises and picnics for the dinghy sailors

If you would like to sail on the river with other members on an informal basis, we will put some dates & times on the website & clubhouse noticeboards when the tides are suitable. Please note, there will be no Safety Boat cover on these occasions. Don't forget that HW up-river can be up to 45 mins. later than at Slaughden. Aim to set off around 2 hours before HW to allow time for a sail & picnic. Use the members' bulletin board on the website to register your interest for a particular date. Happy sailing!
