**Rupert Hannen, The Old Bowling Green, High Street, Yoxford, Saxmundham, Suffolk IP17 3EP**

A membership renewal form is attached with this letter. Don't forget to sign the form before you return it to me.

**To ensure the club complies with new Data Protection regulations please ensure you tick the boxes  in the declaration section.**

Membership and Dinghy Park fees are due by **31<sup>st</sup> January 2018**. There is a small increase to the Membership fees for 2018. The print deadline in mid-February means that any later membership renewal will not appear in the Year Book and will incur a 50% re-joining fee.

Please remember we are a self-help community sailing club and look to ourselves to ensure that each and every one of us is doing something toward supporting the running and maintenance of our club and premises.

Advise here please, any skill you have that may help support our club:

**Family membership is required unless *you alone* use the club facilities. Guests are welcome, but may only be introduced four times a year and must sign the Visitors' Book.**
